"Another Crucifixion (Holodomor)" (right)
 Photocopy, Gold Leaf, Oil, Wood, 24" x 18"

My art of loss and remembrance responds to the genocide waged by the Soviet regime against the Ukrainian nation and reflects my ancestral roots.

"Another Kind of Icon" (left)
 Photocopy, Oil, Wax, Embroidery, Wood, 13" x 10" x 2"

Eight million perished in Stalin's orchestrated 1932-33 famine in Ukraine. Merging Holodomor victims' images with icon conceits, I honor them.
